Set in South Dakota, **BLACK HILLS** (G.P. Putnam’s Sons; July 7, 2009; \$26.95) is the story of Cooper Sullivan and Lil Chance. They first meet as children when Coop spends the summer at his grandparents’ ranch, but over the years their relationship develops from child’s play into an adult romance. The two share their dreams and their passions each summer, but one horrible event will haunt them forever—the terrible discovery of a hiker’s body.

A MEMBER OF PENGUIN GROUP (USA)

Twelve years later, Coop is living in New York and Lil is pursuing her career in wildlife rescue, but news of recent crimes and the memory of that unsolved death draw them back to the hills of their childhood. Somehow they know the crimes are linked, and together they hope to put a stop to it...if they can keep from becoming victims themselves.

With **BLACK HILLS**, Nora Roberts continues to give her fans the deft plotting, smart characters and enjoyable read they have come to expect.
